

# MEET THE TEAM

## JENNY HO

### Teaching Professional

At 9 years old I started swinging a golf club. I still remember the feeling of how fun it was for me to see the ball go flying so high up in the air. I played in high school for 4 years, and continued my golf career at Hope International University where I played on the women's golf team for 4 years on a golf scholarship.

I learned so much about golf in my eight years of playing competitively, and I am continuing to learn more everyday. Now, I am currently one of the coaches for Mission Viejo High School Girls Golf Team. I hope to continue my golf journey and play competitive golf in the coming years.

Whether you are a beginner, intermediate, or advanced golfer, it is my goal as an instructor to help you build your golf confidence on and off the course. I specialize in teaching the basic fundamentals of the golf swing, putting, chipping, course management, and mental game. With the correct fundamentals and lots and lots of practice, I believe that anyone can succeed in golf. I am so grateful for all that golf has given me, and I would like to share my passion with you!

#### College education:

Bachelors of Business of Administration

Hope International University

#### Hobbies outside of golf:

Running, working out, cycling, and skiing
